Forecast For Southwest England
Issued by Met Office Exeter
at 1600 on Tuesday 03 Aug 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Sunshine and isolated heavy showers on Wednesday.

This Evening and Tonight:
Showers ease throughout the evening leaving clear spells. There is the potential for a few mist or fog patches developing overnight. Feeling locally very cool in areas with less cloud. Minimum temperature 11 deg C (52 deg F).

Wednesday:
Mostly dry with some sunshine in the morning. Isolated heavy showers expected in the afternoon, possibly thundery. Feeling warm in the sunshine in between showers, with light winds. Maximum temperature 22 deg C (72 deg F).

Outlook for Thursday to Saturday:
Unsettled few days, Thursday bringing a persistent band of heavy showers with locally strong winds, especially coastal areas. Extensive heavy, thundery showers on Friday. Saturday becoming drier with sunny spells.
